EL PASO COUNTY PLANNING AND COMMUNITY DEVELOPMENT DEPARTMENT

FIRE PROTECTION REPORT CHECKLIST

Revised: January 2022

Fire Protection Report

The purpose of the Fire Protection Report to ensure that proposed development is reviewed in consideration of the wildfire risks and need to provide adequate fire protection in order to: 1.) regulate development, buildings, and structures so as to minimize the hazard to public health, safety, and welfare; 2.) ensure that adequate fire protection is available for new development; 3.) implement wildfire hazard reduction in new development; 4.) encourage voluntary efforts to reduce wildfire hazards; and 5.) reduce the demands from the public for relief and protection of structures and facilities. (Reference: Fire Protection and Wildfire Mitigation Section of Chapter 6 of the Land Development Code.)

The PCD Director may modify the applicable requirements, including requiring additional items or removing items, based upon the project and site-specific circumstances.
