

Colorado Centre Drainage Improvements

Phase 2 - Construction Update June 17, 2026

Paving Operations Completed

On Thursday, June 18, phase 2 paving operations will be completed, and Horizonview Drive will be fully reopened to traffic.

A street sweeper is scheduled to clean up along Horizonview Drive Wednesday, June 17.

What's Next:

ADA sidewalk ramp replacement — construction through July

- Starting at the end of this week and lasting until the end of July (weather dependent), crews will be replacing ADA sidewalk ramps throughout the neighborhood.
- The ADA ramp work will begin on the topside of Anvil Drive at the Gunbarrel intersection and move along Gunbarrel to the southernmost cul-de-sac.
- During this time, barricades will be placed alongside the ramps; this work will minimally disrupt the traveling traffic.
- Crews will be available to assist the public with street crossing if needed.
- A future newsletter will be distributed with information on other ramp replacement locations.

Key Dates

Phase 1 — Construction started the week of February 20, 2025, and was completed in October 2025.

Phase 2 — Construction started the week of May 18, 2026, and is estimated to be completed by August 2026.
