IMPROVED ACCESSIBILITY AT THE FOUNTAIN CREEK NATURE CENTER

El Paso County is pleased to announce the completion of ADA-accessible renovations at the Fountain Creek Nature Center. The County's Community Development Block Grant (CDBG) program supported the Parks Department in completing ADA-accessible upgrades that will last for generations, ensuring greater park access for all!

Community members seeking to explore our region's natural beauty and in need of additional assistance are encouraged to utilize the El Paso County Parks Trailability Program.
