CDBG UPGRADES IN HANOVER

HANOVER COMMUNITY CHURCH PARKING LOT

El Paso County Community Development Block Grant (CDBG) funds provided upgrades to the Hanover Community Church parking lot. Upgrades included ADA accessibility to both building entrances, ensuring a community-based meeting space for all.

ALL ARE WELCOME AT THE HANOVER COMMUNITY CHURCH

The Hanover Community Church once faced limited access to this community meeting space. With enhanced ADA accessibility, all community members can now fully utilize this community resource!

"Without CDBG funds, this project could not have happened!"
-Peggy Schafale,
Hanover Community Treasurer
