

BUSINESS PROGRAMS IN ACTION

In July 2026, we relaunched our small business loan program in partnership with Colorado Enterprise Fund.

The **El Paso County Community Loan Fund** program provides loans up to \$50,000 to new and existing for-profit small businesses in El Paso County that are unable to obtain traditional loan financing.

Through this relaunch and partnership, CEF has agreed to match El Paso County's investment, doubling the loan fund pool to \$1.3M and providing businesses with greater access to capital, while maintaining the program as a revolving loan fund that is self-sustaining.

Eligible Loan Uses

- Working capital, equipment, inventory
- Tenant finish/property improvements
- Business purchase
- Lease payments
and more!

Program Geographic Priority Areas

- Pikes Peak Enterprise Zone Boundaries
- Federally-Designated Opportunity Zones
- Unincorporated El Paso County

Over the past five years, El Paso County, in partnership with Colorado Enterprise Fund, has provided over \$912,000 in loan funding to 57 small businesses and start-ups in El Paso County.
