9. **EXAMINATION OF SITE IS RECOMMENDED:** Prior to the submission of its Response, the Contractor is advised to visit the site of the proposed work and become familiar with any conditions which may, in any manner, affect the work to be done or affect the equipment, materials and/or labor required. The County will not provide any additional allowances to the Contractor based on the Contractor 's lack of knowledge of site conditions.
10. **SOLICITATION DOCUMENTS:** El Paso County officially distributes solicitation documents through the Rocky Mountain E-Purchasing System and the County's website. ***Copies of solicitations obtained from any other source are not considered official copies.*** Only those Contractors who obtain solicitation documents from the Rocky Mountain E-Purchasing System or El Paso County website will be in receipt of officially posted and relevant information regarding solicitations issued by El Paso County. The County cannot be held responsible for incorrect information, nor can it attest to the accuracy of information, found on websites other than the Rocky Mountain E-Purchasing System or the County's website.

11. COMPETENCY OF CONTRACTORS - MINIMUM YEARS OF EXPERIENCE AND OPERATIONAL REQUIREMENTS: Responses will only be considered from Contractors which have been engaged in the business of manufacturing or distributing the goods and/or performing the Work as described in this Solicitation. Contractors must be able to produce evidence that they have an established satisfactory record of performance for a minimum of five (5) years and have sufficient financial support, equipment, and organization to ensure that they can satisfactorily execute the services if awarded a contract. The term 'equipment and organization' as used herein shall be construed to mean a fully equipped and well-established company in line with the best business practices in the industry and as determined by the proper authorities of the County.

The Contractor shall submit such evidence of its qualifications including a maximum of five (5) relevant projects with similar services, timelines and/or magnitudes performed by the Contractor in the last seven (7) years and relevant projects with similar services, timelines and/or magnitudes performed by the Contractor's Project Manager, Superintendent and/or Foreman(s). Similar services shall be specific to the following:

- Grading/Work within a live ditch/Concrete trail construction/pedestrian wooden bridge installation

The County may consider any evidence available to it (including, but not limited to, the financial, technical, and other qualifications and abilities of the Contractor) in making the award in the best interests of the County.

12. QUALIFICATIONS OF CONTRACTOR: The County may make such investigations as deemed necessary to determine the ability of the Contractor to perform the work, and the Contractor shall furnish all information and data for this purpose as the County requests. Such information includes but not limited to: current/maximum bonding capabilities, current licensing information, audited financial statements, history of the firm on assessments of liquidated damages, contracts cancelled prior to completion and/or lawsuits and/or pending lawsuits against the firm and/or its principals. The County reserves the right to reject any Response if the evidence submitted by, or investigation of, such Contractor fails to satisfy the County that such Contractor is properly qualified to carry out the obligations of the Solicitation and to complete the work contemplated therein. Conditional Responses will not be accepted.

13. METHOD OF AWARD AGGREGATE: It is the intent of the County to award this Solicitation to the responsive, responsible Contractor who offers all items and whose pricing offers the lowest cost when all items are added in the aggregate and whose Offer will be most advantageous to the County. Notwithstanding, the County reserves the right to alter this method of award if such alteration results in a cost savings to the County.

A recommendation for award based on the lowest bid shall be made if that bid meets all the specifications as outlined in the IFB, with no unacceptable exceptions. If the lowest bidder takes exception(s) to the specifications— but is within tolerance and meets the form, fit, and function of the merchandise required, as well as delivery date required, warranty, and all other IFB requirements—it is considered the low bid and should be recommended for award.

However, the lowest-dollar bidder is not required to be recommended for award if it:

- Does not meet all the specifications as outlined in the IFB.
- Takes exception to any of the specifications that is not acceptable (as defined above).
- Cannot meet acceptable delivery requirements.
- Has additional costs that make the overall total cost higher than the next low bid.

- Has past documented history by the requesting department/office, by reference(s) or in the Contracts and Procurement Division file of poor quality, delivery or other information that would affect the operation of the requesting department/office.

14. POST INTENT TO AWARD MEETING: The Contractor may be required to attend a post intent to award meeting with the County to discuss the terms and conditions of the contract. This meeting will be coordinated by the Contracts and Procurement Division once a Notice of Intent to Award has been issued.

15. DEBRIEFING: Offeror(s) not selected for award may request a debriefing on the selection process as well as discussion of the strengths and weaknesses of their firm's proposal upon the Final Notice of Award being posted on the Rocky Mountain E-Purchasing website.

A debriefing may be scheduled by contacting the Procurement Specialist listed on the Cover Sheet of this Solicitation once the Final Notice of Award has been posted.

16. PRICE OFFERS SHALL BE FIXED AND FIRM: The prices offered by the Contractor shall remain fixed and firm. No changes in the Response shall be allowed after the date and time of the Solicitation opening due to error by the Contractor. Responses may not be withdrawn after the time and date set for the Solicitation opening for a period of ninety calendar days.

17. BID GUARANTY IS REQUIRED FOR A PERCENTAGE OF THE TOTAL PRICE: All Responses shall be accompanied by a Bid Guaranty in the form of a Certified Check, Cashier's Check or Bid Bond, made payable to EL PASO COUNTY, in the amount that represents **5%** of the total base price. The Bid Guaranty shall be made payable to County and shall be conditioned upon the successful Contractor submitting a specified performance bond within ten **(10)** calendar days following written notice of award. Any Response which is not accompanied by a Bid Guaranty shall be considered nonresponsive and ineligible for award. In the event the selected Contractor fails or refuses to submit the performance bond within the time stated, the Bid Guaranty/Security submitted with the Response will be forfeited as liquidated damages because of such failure or default. The bid guarantees will be returned after the opening of Responses to all except the three lowest responsible, responsive Contractors and the remaining guarantees shall be returned to these Contractors after the contract with the selected Contractor(s) is executed.

18. PERFORMANCE BOND BASED ON A PERCENTAGE OF THE OFFERED PRICE: The Contractor to whom a contingent award is made shall duly execute and deliver a Performance and Payment Bond to the County in an amount that represents 100% of the price offered by the Contractor. The Contractor may deliver multiple bonds in lieu of a single bond, provided the total amount of these bonds equals the amount specified above. The bond shall be delivered to the County's Contracts and Procurement Division within ten calendar days after a Notice of Contingent Award is given to the Contractor, either verbally or in writing. If the Contractor fails to deliver the bond within this specified time frame, including any extensions which may be granted by the County, the County shall declare the Contractor in default of the contractual terms and conditions and the Contractor shall surrender its Bid Bond. In lieu of a Performance and Payment Bond, the County will accept a cash bond in the form of a certified cashier's check made payable to El Paso County.

19. PROOF OF REGISTRATION WITH THE COLORADO SECRETARY OF STATE: Successful Contractors that are corporations or limited liability companies will be required to furnish a Certificate of Good Standing from the Colorado Secretary of State's Office, as proof that they are properly registered to do business in the State of Colorado, prior to finalization of award.

20. LOBBYING PROHIBITED: Contractors are prohibited from directly or indirectly communicating with members of the Board of County Commissioners regarding their qualifications or any other matter related to the eventual award of a contract for the goods and/or services requested in this Solicitation. Contractors are prohibited from contacting County employees or evaluation committee members regarding their qualifications or the award of a contract unless in response to an inquiry from an employee as part of the formal evaluation process outlined in the Solicitation. Any violation of these provisions will result in the Contractor's immediate disqualification from the selection process.

21. CONFLICTS WITHIN THE CONTRACT DOCUMENTS: In the event that conflicts exist within the Contract Documents, the policies stated in the following paragraphs shall govern: A. Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and

4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. The IRS has created a page on IRS.gov for information about Form W-9, at www.irs.gov/w9. Information about any future developments affecting Form W-9 (such as legislation enacted after we release it) will be posted on that page.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, payments made to you in settlement of payment card and third party network transactions, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the

withholding tax on foreign partners' share of effectively connected income, and

4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct.

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States:

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity,
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust, and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China Income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS a percentage of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code* on page 3 and the separate instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships* on page 1.

What is FATCA reporting? The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code* on page 3 and the instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account, for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Name

If you are an individual, you must generally enter the name shown on your income tax return. However, if you have changed your last name, for instance, due to marriage without informing the Social Security Administration of the name change, enter your first name, the last name shown on your social security card, and your new last name.

If the account is in joint names, list first, and then circle, the name of the person or entity whose number you entered in Part I of the form.

Sole proprietor. Enter your individual name as shown on your income tax return on the "Name" line. You may enter your business, trade, or "doing business as (DBA)" name on the "Business name/disregarded entity name" line.

Partnership, C Corporation, or S Corporation. Enter the entity's name on the "Name" line and any business, trade, or "doing business as (DBA)" name on the "Business name/disregarded entity name" line.

Disregarded entity. For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulation section 301.7701-2(c)(2)(ii). Enter the owner's name on the "Name" line. The name of the entity entered on the "Name" line should never be a disregarded entity. The name on the "Name" line must be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on the "Name" line. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on the "Business name/disregarded entity name" line. If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Note. Check the appropriate box for the U.S. federal tax classification of the person whose name is entered on the "Name" line (individual/sole proprietor, Partnership, C Corporation, S Corporation, Trust/estate).

Limited Liability Company (LLC). If the person identified on the "Name" line is an LLC, check the "limited liability company" box only and enter the appropriate code for the U.S. federal tax classification in the space provided. If you are an LLC that is treated as a partnership for U.S. federal tax purposes, enter "P" for partnership. If you are an LLC that has filed a Form 8832 or a Form 2553 to be taxed as a corporation, enter "C" for C corporation or "S" for S corporation, as appropriate. If you are an LLC that is disregarded as an entity separate from its owner under Regulation section 301.7701-3 (except for employment and excise tax), do not check the LLC box unless the owner of the LLC (required to be identified on the "Name" line) is another LLC that is not disregarded for U.S. federal tax purposes. If the LLC is disregarded as an entity separate from its owner, enter the appropriate tax classification of the owner identified on the "Name" line.

Other entities. Enter your business name as shown on required U.S. federal tax documents on the "Name" line. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on the "Business name/disregarded entity name" line.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited Liability Company (LLC)* on page 2), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting IRS.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, or 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on the "Name" line must sign. Exempt payees, see *Exempt payee code* earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. **Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.** You must give your correct TIN, but you do not have to sign the certification.
2. **Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983.** You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.
3. **Real estate transactions.** You must sign the certification. You may cross out item 2 of the certification.
4. **Other payments.** You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).
5. **Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions.** You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, social security number (SSN), or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN.
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Publication 4535, Identity Theft Prevention and Victim Assistance.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration at 1-800-368-4484. You can forward suspicious emails to the Federal Trade Commission at: spam@uce.gov or contact them at www.ftc.gov/idtheft or 1-877-IDTHEFT (1-877-438-4338).

IFB-XX-XXX;

THIS AGREEMENT is made this _____ day of _____, 20____, by and between the Board of County Commissioners of the County of El Paso, State of Colorado (the "County"), and _____ ("Contractor").

In consideration of the mutual covenants, agreements, conditions and undertakings hereinafter specified, the County and Contractor agree as follows:

Section 1. Scope of Work. Contractor shall perform all work in accordance with **Exhibit A**, which is attached hereto and incorporated by this reference, including furnishing all supervision, labor, equipment and materials therefor (the "Project").

Section 2. Contract Documents. The Contract Documents, which comprise the entire agreement and contract between the County and Contractor, consist of this Agreement and Exhibit A; Invitation for Bids/Request for Proposal, Bid Form, Schedule, Performance and Payment Bond, Notice of Award; Notice to Proceed; general conditions, special conditions, measurement, payment, and technical specifications and drawings; and any modifications, change orders or other such revisions properly authorized after the execution of this Agreement.

Section 3. Agreement Price. The County has appropriated the money necessary to fund this project. The County shall pay the Contractor in current funds for the performance of the work, subject to any additions and deletions, by written Amendment/ change order, the total sum not to exceed _____ Dollars (\$ _____) (the "Original Contract Amount"). Notwithstanding anything to the contrary contained in this Agreement, no change order or other form of directive by the County requiring additional compensable work to be performed, which causes the aggregate amount payable under this Agreement to exceed the amount appropriated for the Original Contract Amount, unless the Contractor is given written assurance by the County via an Amendment, a Contract Modification Order (CMO) shall be included as supporting documentation, that lawful appropriations have been made by the County to cover the cost of the additional work.

Section 4. Optional Extension Term: The prices quoted in this Solicitation shall prevail during the specified term of the contract, at which time the County shall have the option to extend the contract for four (4) additional one-year periods. Continuation of the contract beyond the initial period is a County prerogative and not a right of the Contractor and will be exercised only when such continuation is clearly in the best interest of the County. Any extension of, or change orders to this Agreement are contingent upon available funding and satisfactory performance by the Contractor, as determined by the County. It shall be the Contractor's responsibility to provide the County Representative (with a copy to the Contracts and Procurement Division) all requested Agreement changes and/or price adjustments at least 90 days prior to the expiration of the Agreement or Agreement extension date for consideration. After review by the County of the Contractor's requested changes or price adjustments, the County will enter into negotiations with the Contractor to determine if the requested Agreement changes and/or price adjustments are acceptable to the County. Negotiations must be completed ninety (90) days prior to expiration of the Agreement or Agreement extension date. Failure of the County and the Contractor to agree upon the terms and conditions for the extension may result in resolicitation of the goods or services covered by the original Agreement. Continued performance by the Contractor outside of the Agreement term will be at the Contractor's risk.

Section 5. Non-appropriation. Pursuant to Article X, Section 20 of the Colorado Constitution and C.R.S. § 29-1-110, as amended, the financial obligations of the County as set forth herein after the current fiscal year are contingent upon funds for that purpose being appropriated, budgeted and otherwise available. This Agreement is automatically terminated on January 1st of the first fiscal year for which funds are not appropriated. The County shall give the Contractor written notice of such non-appropriation. Financial obligations of the County payable after the current Fiscal Year are contingent upon funds for that purpose being appropriated, budgeted, and otherwise made available, pursuant to the Constitution for annual funding appropriation.

Section 6. Times and Methods of Payment.

a. Progress payments shall be made in proportion to services rendered and shall be due and owing within thirty (30) days of Contractor's submittal of a monthly invoice. If the County objects to any invoices submitted by Contractor or required documentation is missing, the County will so advise Contractor in writing giving the reason within fourteen (14) days of receipt of such invoice.

b. If the County fails to make payments due Contractor within sixty (60) days after receipt and acceptance of Contractor's invoice and required documentation, Contractor may, after giving seven (7) days' written notice to the County, suspend services under this Agreement until Contractor's outstanding invoices have been paid in full.

Section 7. Retainage. An amount up to or equal to five percent (5%) of all progress payments shall be retained by the County until the Project is completed satisfactorily and finally accepted by the County.

Section 8. Final Payment. The County shall make final payment, including release of retainage, to Contractor when the Project is complete and finally accepted by the County.

Section 9. Final Acceptance. Final acceptance of the Project shall follow inspection and approval of Contractor's performance by the County, along with inspection by appropriate governmental officials pursuant to local, state and federal requirements, if necessary. The County shall have the right and authority to determine the acceptability of Contractor's performance for conformity with this Agreement, which determination shall be conclusive and binding upon Contractor. Final acceptance by the County is subject to the provisions of this Contract and C.R.S. § 38-26-107, as amended, and in no manner affects or releases applicable warranties or guarantees with Contractor or Suppliers for the Project.

The Project, when presented to the County for final acceptance, shall be delivered free from any and all claims or encumbrances whether then in existence or later established by law, statute, ordinance or otherwise. No claim or encumbrance against the Project or the Project site shall be outstanding or otherwise unsettled at the time of final acceptance. The right to assert any claim or encumbrance against the Project, after final acceptance by the County and final payment to Contractor, is hereby waived by Contractor on behalf of itself and any subcontractor, laborer, materialman, equipment supplier, manufacturer or other person.

Section 10. Commencement and Completion of Performance. The services called for shall commence on the date of contract execution by all Parties and as outlined in Section 2 of Exhibit A and shall be completed in **XX** Working Days. The contract term, based on the contract execution and working days, will end on _____, 20___. Contractor shall commence any work requested by the County within **XX** days of notification, either through the applicable Notice to Proceed(s) or by issuance of this contract by the County. In the event Contractor fails to commence work within this time period, the County may take over the work and prosecute the same to completion. The date of beginning and the time for completion of the work are essential conditions of this Agreement. Contractor shall proceed with the work at such rate of progress to ensure full completion within the contract time. It is expressly understood and agreed by and between the County and Contractor that the contract time for the completion of the work described herein is a reasonable time, taking into consideration the average climatic and economic conditions and other factors prevailing in the locality of the work during the period such work is to be performed. If Contractor shall fail to complete the work within the contract time, or extension of time granted by the County, then Contractor shall pay to the County the amount of _____ Dollars (\$___) as liquidated damages and not as penalty, for each calendar day that Contractor shall be in default after the allowable Working Days have expired.

Section 11. Termination.

a. This Agreement may be terminated in whole or in part in writing by either party in the event of substantial failure by the other party to fulfill its obligations under this Agreement through no fault of the terminating party, provided, that no such termination may be affected unless the other party is given:

- i. not less than ten (10) calendar days' written notice of intent to terminate, and

- ii. an opportunity for consultation with the terminating party prior to termination.
- b. This Agreement may be terminated in whole or in part in writing by the County for its convenience.
- c. Upon receipt of a termination action pursuant to paragraphs a. and b. above, Contractor shall promptly discontinue all services affected (unless the notice directs otherwise), and the County may take over the work and prosecute the same to completion by agreement with another party or otherwise.
- d. Pandemics. The Contractor shall abide by any local, state, and federal health orders in effect or instituted during the term of this Agreement. The Contractor is expected to implement any such changes effective immediately. Failure to abide by such requirements may result in termination of the Agreement.

Section 12. Taxes, Licenses, Permits and Regulations. In all operations connected with the Project, Contractor shall pay all fees, charges and taxes imposed by law and shall obtain all licenses and permits necessary for completion of the Project, paying all fees therefore, unless otherwise specified by the County. The County shall assist Contractor to determine which licenses and permits are required for completion of the Project.

The County is exempt from Colorado state sales and use taxes on materials to be permanently incorporated in the work. Accordingly, taxes for which the County is exempt shall not be included in the Agreement Price. The County shall, upon request, furnish Contractor with a copy of its Certificate of Tax Exemption. Contractor and subcontractors shall apply to the Colorado Department of Revenue, Sales Tax Division, for an exemption certificate and purchase the materials tax free. Pursuant to C.R.S. §39-26-114(1)(a)(XIX), Contractor and subcontractors shall be liable to the State of Colorado for exempt taxes paid due to failure to apply for exemption certificates or for failure to use said certificates. Contractor shall comply with all laws, ordinances, codes, rules and regulations of all governmental authorities, whether local, state or federal, relating to the performance of work on the Project and, particularly, in complying with those laws concerning the environment, workers' compensation, safety and health, state labor and materials, and equal employment opportunity.

Section 13. Indemnification. The Contractor shall, to the fullest extent permitted by law, defend, indemnify and hold harmless the County, its elected and appointed officials, officers, employees, and agents, and their insurers, and employees, from and against all liability, claims, demands, suits, actions or proceedings of any kind, including, without limitation, claims arising from bodily injury, personal injury, sickness, disease, death, property loss or damage, or any loss of any kind whatsoever, which arise out of or are in any manner connected with this Contract, including workers' compensation claims, in any way resulting from or arising from the services rendered by the Contractor, its employees, agents or subcontractors, or others for whom the Contractor is legally liable, under this Contract; provided, however, that the Contractor need not indemnify or save harmless the County, its elected and appointed officials, officers, employees, and agents, from damages resulting from the negligence of the County's its elected and appointed officials, officers, employees, and agents, and their insurers, and employees. The County cannot and by this Contract does not agree to indemnify, hold harmless, exonerate or assume the defense of the Contractor or any other person or entity whatsoever, for any purpose whatsoever.

The Contractor shall, to the fullest extent permitted by law, defend, investigate, handle, respond to, and provide defense for and defend against, any such liability, claims or demands, at the sole expense of the Contractor, or, at the option of the County, agrees to pay the County or reimburse the County for the defense costs incurred by the County in connection with any such liability, claims or demands. The Contractor shall, to the fullest extent permitted by law, defend and bear all other costs and expenses related thereto, including court costs and attorney fees, whether or not any such liability, claims or demands alleged are groundless, false or fraudulent.

This indemnification provision is intended to comply with C.R.S. § 13-21-111.5(6), as amended, and shall be read as broadly as permitted to satisfy that intent.

Section 14. Insurance. The Contractor agrees to procure and maintain, during the life of this Contract, a policy or policies of insurance against all liability, claims, demands and other obligations assumed by the Contractor, pursuant to Section 11 above. Such insurance shall be in addition to any other insurance requirements imposed by this Contract or by law. The Contractor shall not be relieved of any liability, claims, demands or other obligations

assumed, pursuant to Section 11 above, by reason of its failure to procure and maintain, during the life of this Contract, insurance in sufficient amounts, durations or types.

The Contractor shall procure and maintain, during the life of this Contract, for itself and any subcontractor, the minimum insurance coverages listed below. Such coverages shall be procured and maintained with forms and insurers acceptable to the County. All coverages shall be continuously maintained to cover all liability, claims, demands, and other obligations assumed by the Contractor, pursuant to Section 11 above. In the case of a claims-made policy, the necessary retroactive dates and extended reporting periods shall be procured to maintain such continuous coverage.

a. Workers' Compensation Insurance to cover obligations imposed by applicable laws for any employee engaged in the performance of the work under this Contract, and Employers Liability Insurance with minimum limits of Five Hundred Thousand Dollars (\$500,000) each accident, Five Hundred Thousand Dollars (\$500,000) disease-policy limit, and Five Hundred Thousand Dollars (\$500,000) disease-each employee. Evidence of qualified self-insured status may be substituted for the workers' compensation requirements of this Paragraph.

b. Commercial General Liability Insurance to be written with a limit of liability of not less than One Million Dollars (\$1,000,000) for all damages arising out of bodily injury, personal injury (including coverage for employee and contractual acts), including death, at any time resulting therefrom, arising out of any one occurrence, and not less than Two Million Dollars (\$2,000,000) general aggregate for all damages arising out of bodily injury, including death, at any time resulting therefrom, during the policy period. This policy shall also include coverage for blanket contractual and independent contractor risks.

The limits of Commercial General Liability Insurance for broad-form property damage (including products and completed operations) shall be not less than One Million Dollars (\$1,000,000) for all damages arising out of injury to or destruction of property in any one occurrence, and not less than Two Million Dollars (\$2,000,000) for all damages arising out of injury to or destruction of property, including the County's property during the policy period.

The Commercial General Liability Insurance policy shall include coverage for explosion, collapse and underground hazards. The policy shall contain a severability of interests provision.

c. Comprehensive Automobile Liability Insurance with minimum combined single limits for bodily injury and property damage of not less than One Million Dollars (\$1,000,000) each occurrence, and One Million Dollars (\$1,000,000) aggregate with respect to each of the Contractor's owned, hired and nonowned vehicles assigned to or used in performance of the services. The policy shall contain a severability of interests provision.

The policy required by Paragraph b. above shall be endorsed to include the County, whether private or governmental, its officers and employees, and the Engineer and its agents and employees, and any other person(s), company(ies) or entity(ies) deemed necessary by the County as additional insureds. The Contractor shall be solely responsible for any deductible losses under any policy required herein.

Every policy required above shall be primary insurance, with the exception of Workers' Compensation, and any insurance carried by the County, its officers, its employees or its consultants shall be excess and not contributory insurance to that provided by the Contractor. No additional insured endorsement to the policy required by Paragraph b. above shall contain any exclusion for bodily injury or property damage arising from completed operations.

The certificate of insurance provided by the Contractor shall be completed by the Contractor's insurance agent as evidence that policies providing the required coverages, conditions and minimum limits are in full force and effect and shall be reviewed and approved by the County prior to commencement of the Contract. No other form of certificate shall be used. The certificate shall identify this Contract and the coverages afforded under the policies. The completed certificate of insurance shall be sent to:

El Paso County
Attn: Contracts Specialist

It is the affirmative obligation of the Contractor to notify the County, as provided in this Contract, a copy of the notice, within two (2) business days of the cancellation or substantive change to any insurance policy required under this Contract, and failure to do so shall constitute a breach of this Contract.

Failure on the part of the Contractor to procure or maintain policies providing the required coverages, conditions and minimum limits shall constitute a material breach of contract upon which the County may immediately terminate this Contract or, at its discretion, the County may procure or renew any such policy or any extended reporting period thereto and may pay any and all premiums in connection therewith, and all monies so paid by the County shall be repaid by the Contractor to the County upon demand, or the County may offset the cost of the premiums against any monies due to the Contractor from the County.

The County reserves the right to request and receive a certified copy of any policy and any endorsement thereto.

The parties hereto understand and agree that the County, its officers and employees, are relying on and do not waive or intend to waive by any provision of this Agreement the monetary limitations (presently Three Hundred Eighty-Seven Thousand Dollars (\$387,000) for any injury to one person in any single occurrence, and One Million Ninety-Three Thousand Dollars (\$1,093,000) for any injury to two or more persons in any single occurrence; except that, in such instance, no person may recover in excess of Three Hundred Eighty-Seven Thousand Dollars (\$387,000)), which amounts shall be adjusted by an amount reflecting the percentage change over a four-year period in the United States Department of Labor, Bureau of Labor Statistics, Consumer Price Index for Denver-Boulder-Greeley, All Items, All Urban Consumers, or its successor index, or any other rights, immunities and protections provided by the Colorado Governmental Immunity Act, C.R.S. § 24-10-101, *et seq.*, as from time to time amended, or otherwise available to the County, its officers or employees.

Section 15. Performance and Payment Bond. Contractor shall provide to the County, prior to commencement of performance, a Performance and Payment Bond acceptable to the County in the full amount of _____ Dollars (\$_____), including provisions for any adjustment thereof in accordance with the terms of this Agreement. Contractor shall obtain such bond on the County's behalf, separate and apart from any similar bonds or surety or warranty agreements entered into independently between the County and any manufacturer or supplier.

Section 16. Government Immunity. Pt. VI, Ch. 171 and 28 U.S.C. 1346(b), and the State's risk management statutes, §§24-30-1501, *et seq.*, C.R.S. No term or condition of this Agreement shall be construed or interpreted as a waiver, express or implied, of any of the immunities, rights, benefits, protections, or other provisions, contained in these statutes.

Section 17. Prohibited Terms. Any term included in this Agreement that requires the County to indemnify or hold Contractor harmless; requires the County to agree to binding arbitration; limits Contractor's liability for damages resulting from death, bodily injury, or damage to tangible property; or that conflicts with this provision in any way shall be void ab initio. Nothing in this Agreement shall be construed as a waiver of any provision of § 24-106-109 C.R.S.

Section 18. Warranties and Guarantees. Contractor hereby represents, warrants and guarantees to the County all workmanship, equipment and materials on or made a part of the Project and its structures for a period of two (2) years from and after the date of final acceptance of the work by the County, as provided by this Agreement.

Section 19. Subcontractors. All contracts between Contractor and subcontractors shall conform explicitly to all applicable provisions of this Agreement. In all events, Contractor shall be responsible and held liable for any bonding, insurance, warranties, indemnities, progress payments and completion of performance of or to such subcontractors. Upon receipt of progress and final payments from the County, Contractor shall disburse the same immediately to subcontractors without any requirement of the County to supervise the same. The County may, but

shall not be obligated to, require Contractor to furnish lien waivers for the work performed or materials furnished by subcontractors or materialmen prior to payment of progress payments or final payment. No contractual relationship shall exist between the County and any subcontractor because of the subletting of any part of the Project work.

Section 20. Change Order. There shall be no increase in price or change in the scope of work described herein without a written change order issued by the County along with the County's written assurance that lawful appropriations have been made by the County to cover the cost of any additional work or materials described in the change order.

Section 21. Work Rules.

a. Contractor shall perform all work hereunder in keeping with the rules and regulations that the County may promulgate at any time for the safe, orderly and efficient conduct of all operations.

b. The County shall have the right to require of Contractor the immediate removal from the Project of any employee of Contractor or of his subcontractors who, in the discretion of the County, is not qualified to perform the work assigned to him, is guilty of improper conduct, or is not working in harmony with the other trades.

c. Nothing contained in this Agreement shall constitute Contractor as being an employee of the County, nor shall any employment relationship between the County and Contractor be created by the terms hereof.

d. Contractor is responsible for the safety of any of its materials, tools, possessions and rented items stored on the job site, and for protection of the Project, and shall hold the County and its authorized representatives harmless from any damage or loss incurred thereto.

e. Contractor shall promptly pay in full for any and all damage caused to the Project site by Contractor or by any subcontractor or other person or entity of any nature furnishing materials, equipment, machinery, supplies, labor, skilled services or instruments for whose actions Contractor is responsible hereunder.

f. No material, equipment, tools, supplies or instruments, other than those belonging to or leased by Contractor, will be removed from the Project site by Contractor without the prior written approval of the County.

g. Contractor agrees to report immediately to the County, in writing, any and all property damage and/or personal injury that occurs on the Project site during the course of Contractor's performance.

Section 22. Assignment. Contractor shall not, at any time, assign any interest in this Agreement or the other Contract Documents to any person or entity without the prior written consent of the County. The terms of this Agreement shall inure to and be binding upon the successors and assigns of the parties hereto.

Section 23. Amendment. This Agreement may be amended from time to time by agreement between the parties hereto. No amendment, modification or alteration of this Agreement shall be binding upon the parties hereto unless the same is in writing and approved by the duly authorized representatives of each party hereto.

Section 24. Nondiscrimination. The Contractor will take affirmative action to not refuse to hire, to discharge, to promote or demote, to harass during the course of employment, or to discriminate in matters of compensation, terms, conditions, or privileges of employment against any employee, subcontractor, or applicant for employment because of race, color, sex, sexual orientation, gender identity, gender expression, age, religion, disability, national origin or ancestry, as provided by Colo. Rev. Stat. § 24-34-402 (1)(a). Contractor agrees to comply with all applicable Federal and State statutes and regulations concerning non-discrimination.

Section 25. Severability. If any term, section or other provision of this Agreement shall, for any reason, be held to be invalid or unenforceable, the invalidity or unenforceability of such term, section or other provision shall not affect any of the remaining provisions of this Agreement.

Section 26. Waiver. No waiver by either party of any right, term or condition of this Agreement shall be deemed or construed as a waiver of any other right, term or condition, nor shall a waiver of any breach hereof be

deemed to constitute a waiver of any subsequent breach, whether of the same or of a different provision of this Agreement.

Section 27. Personally Identifiable Information (PII). If the Contractor or any of its Subcontractors will or may receive PII under this Agreement, Contractor shall provide for the security of such PII, in a manner and form acceptable to the County, including, without limitation, non-disclosure requirements, use of appropriate technology, security practices, computer access security, data access security, data storage encryption, data transmission encryption, security inspections and audits. Trade Contractor shall be a “Third-Party Service Provider” as defined in C.R.S. § 24-73-101(1) (i) and shall maintain security procedures and practices consistent with C.R.S. § 24-73-102 and C.R.S. § 24-73-103. In the event Contractor incurs a data breach whereby it is reasonably believed that any of County’s PII either could have been, or was compromised, then Contractor shall immediately notify the County in writing and shall abide by C.R.S. § 24-73-101 *et seq.*

Section 28. Remedies. None of the remedies provided to either party under this Agreement shall be required to be exhausted or exercised as a prerequisite to resort to any further relief to which such party may then be entitled. Every obligation assumed by, or imposed upon, either party hereto shall be enforceable by any appropriate action, petition or proceeding at law or in equity. In addition to any other remedies provided by law, this Agreement shall be specifically enforceable by either party. This Agreement shall be construed in accordance with the laws of the State of Colorado, and particularly those relating to governmental contracts. The duties and obligations imposed by this Agreement and the rights and remedies available thereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law, including, but not limited to, tort remedies. The Contractor agrees that the economic loss rule as set forth in the *Town of Alma v. Azco Construction, Inc.*, 10 P.3d 1256 (Colo. 2000) shall not serve as a limitation on the County's right to pursue tort remedies in addition to other remedies it may have against the Contractor. Such rights and remedies shall survive the acceptance of the Work or any termination of this Agreement. Contractor further specifically waives all the provisions of Chapter 8 of Article 20 of Title 13, Colorado Revised Statutes, regarding defects in the Work under this Agreement.

Section 29. Counterparts. This Agreement may be executed in multiple counterparts, each of which shall constitute an original, but all of which shall constitute one and the same document.

Section 30. Entirety. This Agreement constitutes the entire agreement between the parties concerning the subject matter herein, and all prior negotiations, representations, contracts, understandings or agreements pertaining to such matters are merged into and are superseded by this Agreement.
