1. Committee

An Evaluation Committee comprised of personnel from various El Paso County departments (and, if applicable, other individuals the County chooses to be part of this committee) will evaluate all proposals received in a timely manner for completeness and the firm's stated ability to meet all specifications as outlined in the RFP.

2. Disqualification

Failure by a firm to provide all information requested in the RFP may result in disqualification of the proposal without notice.

3. General Evaluation Criteria

Examples of evaluation criteria by which each firm's submitted proposal will be evaluated are as follows:

- a. Fee Schedule (if requested), including reimbursements;
- b. Technical content of the proposal, methodology and approach to the project;
- c. Previous background and experience of the firm relevant to this RFP;
- d. Experience of staff assigned to this project;
- e. Estimated time required for completion of the project;
- f. Location of offices; and,
- g. References, including contact names and phone numbers.

Information submitted by the vendor should be in the order as outlined in the RFP Requirements and must clearly address each item. Each item listed in the RFP Requirements will be given a numeric weight and will be evaluated and scored independently by each Evaluation Committee member.

4. Short List

The Evaluation Committee may short list the firms whose proposals are considered to be in the best interest of the County. Those firms may be scheduled for an interview with the committee.

5. Interviews

The purpose of an interview is to gain a better understanding, by all parties, of the work to be performed. Firms selected to be interviewed will be contacted and scheduled, in no particular order, to meet with the Evaluation Committee. A time limit is set for each interview and is precisely adhered to. Interviews will be held during regular working hours. During the interviews, additional general or fee information may be requested from each firm. A specific date and time will be required to supply the additional information to the Contracts and Procurement Division. The Contracts and Procurement Division will then submit this information to the Evaluation Committee. Any additional information will become part of the submitted proposal and, subsequently, part of the final contract. The Evaluation Committee will determine based on (1) evaluation of the submitted proposals, (2) any information gathered during the interview process, and (3) all additional submitted information, which firm will be contacted to negotiate a contract.

6. Negotiations

The firm selected to negotiate a contract will meet with the Evaluation Committee at a specified date and time. The contract terms and conditions will be reviewed, discussed, negotiated, and finalized for recommendation for approval by the BOCC.

In the event a contract cannot be negotiated with the first firm selected, the Evaluation Committee will select a second firm to repeat the negotiation process, and a third firm, if necessary.

7. Recommendation

The objective of the Evaluation Committee will be to recommend the firm whose proposal is most responsive to El Paso County's requirements while staying within the funds budgeted. The specifications within this RFP represent the minimum performance necessary for response by any interested firm.

Upon recommendation by the Evaluation Committee and the Department Head, the contract will be presented to the BOCC at a scheduled public agenda meeting for approval. All required signatures, as well as approval by the Budget Office, must be obtained prior to submittal for approval.

All contractual documentation will become public information, according to C.R.S., Title 24, Article 72, for public (open) records, upon recommendation to the BOCC.

Q. AWARD

Upon approval by the BOCC and signature by the President, a Notice of Award will be issued to the successful firm. Any final documentation necessary to complete the contract requirements will be requested at that time (i.e., Performance Bond, original Certificates of Insurance, etc.) and the firm will be given ten (10) business days from date of the Notice of Award to acknowledge and comply with these requirements.

Failure to comply with the requirements of the Notice of Award may result in the termination of the contract. The contents of the proposal by the successful firm will become a part of the contractual obligation if a Notice of Award action ensues. Failure by the successful firm to accept the obligations specified in a purchase order, contract or similar acquisition instrument shall result in cancellation of the award and loss of any Bid Security. Such firm may be restricted from future solicitations for a minimum period of one (1) year.

Once all required documentation is received, a fully executed copy of the contract will be sent to the successful firm.
