**(Social Security # or the company's Employee  
Identification #. Please do not leave blank).**

"Very small quantity generators (VSQG) of hazardous waste generate no more than 100 kilograms (about 220 pounds or 25 gallons) of hazardous waste, and no more than 1 kilogram (about 2.2 pounds or <1 quart) of acutely hazardous waste in any calendar month AND never accumulate more than 1000 kilograms of hazardous waste or 1 kilogram of acutely hazardous waste on-site at one time." [40 CFR 262.14]

I certify that I represent a Very Small Quantity Generator, as defined above, and quantities do not exceed the specific limits for the type of waste submitted for disposal. I further certify that all information is true and correct, and that I have read and understand the requirements and restrictions of the El Paso County VSQG Program.
