Program Information

The Trailability Program at Bear Creek and Fountain Creek Nature Centers utilizes "Terrain Hoppers" or off-road mobility vehicles that allow members of the El Paso County community and visiting guests with physical limitations to experience trails previously inaccessible to them.

The 2.5-3-mile trails will take participants through the varying foothills and wetlands habitats, accompanied by their friends and family as well as a Nature Center volunteer or staff member. Participation in the Trailability Program is completely free!

Reservations for 2023 will be offered May 1-October 31 at both Nature Centers, morning and afternoon.

Reservations Opening April 1, 2023
