The absent Commissioner(s) shall automatically be recorded as absent by the County Clerk on all matters considered by the Board until the return of the Commissioner to the meeting. A Commissioner absent from the Hearing Room, but who still heard the testimony given, shall state such on the record upon his/her return to the meeting. It is not limited to financial interests, but may, in the individual judgment of the voting Commissioner, include other interests such as personal friendships, family relations, or other associations with groups or persons. A Commissioner should always avoid even the appearance of such conflict by full, public disclosure of such interests when appropriate and, where possible, by abstaining from participation in any form in the performance or exercise of the official, discretionary actions.
