Community Corrections Board

Agenda Item Summary

Agenda Item Title: Request to Reconsider Community Corrections Placement

Agenda Date: August 20, 2025

Agenda Item Number: 8a

Presenter: MaCain Hildebrand, Justice Services Manager

Vote: X

Background Information:

On June 11, 2025, the El Paso County Community Corrections Board (CCB) rejected the Diversion referral for Carolyn Murray (El Paso County Cases 24CR20, 24CR2497, 25CR1256, 25CR1272)

Following the rejection, Public Defender Monica Uzpen submitted a Request for Reconsideration on behalf of Carolyn Murray on August 8, 2025. Ms. Uzpen cited newly discovered relevant information not available at the time of the original screening, which she contends may have prevented fair consideration. It has been determined that Ms. Uzpen has met the established criteria for the CCB to reconsider the placement of Carolyn Murray. The original Diversion referral for Carolyn Murray for El Paso County cases 24CR20, 24CR2497, 25CR1256, 25CR1272A, along with a copy of Ms. Uzpen's Request for Reconsideration, were provided to all board members in advance of today's meeting for reference and review.

In accordance with current Offender Placement Review Procedures, Reconsideration After Rejection by either Vendor(s) or CCB (not after termination from a program) section E.17, the Board is being asked by an officer of the court to reconsider Carolyn Murray's case.

17. *Reconsideration After Rejection by either Vendor(s) or CCB (not after termination from a program)*

A CCB member or an officer of the court or the executive branch of government may request that a case be reconsidered subject to the following criteria:

- a. The request must be in writing and directed to the Chair of the CCB through the CCP staff.*
- b. The request must be limited to three (3) pages, including exhibits.*
- c. The request must cite one or more of the following as its justification:*

1. *An irregularity in the original screening which prevented fair consideration.*
2. *Misconduct on the part of the CCB.*
3. *Newly discovered relevant information not available at the time of the original screening **
**If a psychological evaluation is to be considered, it must be included with the original referral packet and shall not be the sole basis for reconsideration; or*
4. *An error in applying CCB written criteria.*

As per our current Offender Placement Review Procedures, Section E 17. e.

2. *If the CCB unanimously agrees to reconsider the placement, the procedures for offender placement review will be implemented.*
3. *If reconsideration does not receive unanimous approval, the original action of the CCB shall stand.*

If approved for reconsideration, an updated Diversion Referral application for Client Murray would be obtained and placed on the next ballot for the board to review.

Recommended Motion:

The board is being asked to determine if Client Carolyn Murray should be reconsidered for community corrections placement.

OFFICE OF THE STATE PUBLIC DEFENDER

MEGAN A. RING
STATE PUBLIC DEFENDER

August 8, 2025

RE: [REDACTED]

To Whom it May Concern,

I am writing on behalf of my client, [REDACTED], who was recently rejected from Community Corrections, to request that reconsideration be given in her case pursuant to E. 17(c)(3). This section allows for a vote for reconsideration in situations where there is "newly discovered relevant information not available at the time of the original screening".

Specifically, this board rejected [REDACTED] from Community Corrections citing that there had been a previous failure when [REDACTED] had been sentenced to Embrave. On April 16th, 2024 [REDACTED] was sentenced to Embrave for a period of two years, with a stay of execution given to her for April 18th at 2 pm. Unfortunately, [REDACTED] was unable to go to Community Corrections due to an involuntary 72 hour civil commitment hold beginning on April 17th 2024. On April 18th of 2024, [REDACTED] was still subject to that hold. On April 24th, a rejection after acceptance was filed citing that [REDACTED] failed to report as instructed. In addition, that hold was extended on April 20th for an additional 5 days. Due to this Boards requirement that the request and accompanying exhibits do not exceed 3 pages, I was unable to attach documentation supporting the latter portion, but will be happy to supplement this to the board upon request.

This information only just came to my attention as [REDACTED] suffers from a traumatic brain injury that impairs her memory. After beginning the screening process, she recalled that she had been granted a community corrections sentence in the past but that she had been unable to attend due to the involuntary hold. I have attached appropriate documentation of this hold for the board to review, which I believe was unavailable at the time of the initial screening.

In my few months of representing [REDACTED] I have come to know her as someone who has managed to overcome a lot of her own mental health struggles and find stability through her current relationship and opportunities afforded to her since that time. She does suffer from a traumatic brain injury that impacts her memory, and at the time of receiving the contemplated offer had completely forgotten that she had ever at a previous time been accepted into Community Corrections. Since that time she has learned how to take notes for herself to aid in her understanding and memory, and has been put on the right balance of medications to assist her in maintaining her mental health.

I believe that [REDACTED] is a good candidate for Community Corrections, and hope that the court will re-consider her rejection.

Sincerely,

Monica Uzpen
